Gary,

Sorry for the multiple emails! I should have waited 15 minutes. Here are a few more updates.

SDG 53933 (VB 639 and VB 618, total and TCLP) – final level 2 data

SDG 54037 (VB 620 and FT 1002, TCLP) – final level 2 data

SDG 54040 (South Containment, FT 506, and FT 1004) – partial prelim. At the last submission, we were missing two total herbicide results, FT 506 and FT 1004. The attached prelim includes total herbicides for FT 1004. We are still lacking total herbicides on FT 506. Additionally, please note, as indicated previously, we will not get a total cyanide result for FT 1004.
